SENATOR MARVEL: Mr. President and members of the legislature, this is strictly a change in explanation of the funds, you've already approved the funds, and the staff in checking this over feels that this explanation will tie down more securely than they have now in the bill exactly where the money goes. So all I need to do now was to ask your consent to put this amendment on, so Mr. President I ask unanimous consent that the, that the amendment that was read be adopted.

SPEAKER: Senator Marvel asking for unanimous consent for the approval of the motion, are there objections to the motion? Any objections, hearing none so ordered, the amendment is adopted. Are there other amendments to the bill?

CLERK: None.

SPEAKER: Senator Cavanaugh back to you.

SENATOR CAVANAUGH: Mr. President I move that LB 253 as amended be advanced to E&R for engrossment.

SPEAKER: Is there need for further discussion? The motion is to advance LB 253 as amended, all those in favor of the motion say aye, those opposed say no, so ordered, the bill as amended is advanced, thank you Senator Cavanaugh.

CLERK: Mr. President, I have a communication (read).

SPEAKER: Are there any motions to consider on the desk?

CLERK: Yes, Mr. President.

SPEAKER: Read the motions.

CLERK: Motions read.

SPEAKER: LB 230, how many signers are on the bill already?

CLERK: Just one.

SPEAKER: Thank you, are there objections to Senator Johnson's name being added to LB 230. Any objections? Hearing none, it is so ordered.

CLERK: Mr. President, I ask unanimous consent to re-refer LB 271 from Public Health to the Government Military and Veterans Affairs for public hearing, signed Senator Simpson.

SPEAKER: What was the bill number again, please.

CLERK: 271.

SPEAKER: Thank you. Has that motion, Senator Simpson the Chair feels that you can't ask for that by unanimous consent motion, that will take a vote of the body in order to bind the body to an action here to reconsider.

SENATOR SIMPSON: Mr. President I ask the Chair why?

SPEAKER: Stand by. Rule 3, page 18, section 20, says that any member may object to the reference of any bill or any other proposition, and correction in case of error in reference made by, may be made by the legislature on any legislative day immediately following corrections of the daily journal by unanimous consent or by vote of the majority of the elected members.

SENATOR SIMPSON: Mr. President I had the motion in before the session started this morning, so it could have been taken up directly following the corrections of the journal for the unanimous consent.
